Once pre-registration is complete, only the **selected teams** will be able to proceed with **final registration**. To secure your spot, complete the payment via:

- **Bkash:** 01608077170 (Send Money) 
- **Nagad:** 01878776144 (Send Money) 
- **Rocket:** 018787761446 (Send Money) 

Use "**SynergyX24**" as the reference.

After making the payment, don't forget to submit your **transaction ID** to confirm your registration.

## Rules and Regulations

- 1 Each team must consist of **exactly 3 members**.
  - 2 All team members must be **undergraduate or university-level** students.
  - 3 Each team must have a **coach** to guide their preparation and participation.
  - 4 Participation is limited to institutions within the **Khulna region**.
- 

## Competition Overview

This contest isn't just about winning – it's about the journey! The challenges you'll face will push you to think outside the box, sharpen your problem-solving skills, and work closely with your team to overcome hurdles.

During the event, you will:

-  Collaborate with your team to solve algorithmic puzzles.
-  Compete with other top programmers.
-  Gain valuable experience and exposure in competitive programming.

✨ Whether you're aiming for the top or looking to improve your skills, this is an opportunity to challenge yourself, grow, and connect with a community of passionate coders! ✨
